

## **DOCTORAL THESIS PRIZE IN ECONOMY, LAW AND SOCIOLOGY OF AIR AND SPACE TRANSPORT**

The Doctoral Thesis prize for economy, law and sociology of air and space transport is awarded by the Air and Space Academy for a doctoral thesis on any subject linked to the law, economy or sociology of air and space. It must have been presented in French or English in a European university in the three years preceding the deadline for submission.

**The prize money is two thousand five hundred euros.**

The Doctoral Thesis prize is awarded every other year, alternating with the Master 2 Thesis Prize.

The thesis submitted for the 2019 prize must be sent to the Air and Space Academy in triplicate, before December 31, 2018.
